Slippery slope

Slippery Slope

We've transformed our fabulous Feasting Deck at The Fish into an Alpine retreat. The perfect spot for your winter party or group gathering. Slippery Slope at The Fish is available for groups of between 10 and 20 from 30th October until 31st March 2024.

Get the party warmed up with a tipple from our ski shot on arrival. Then tuck into an oozing cheese fondue, Roasted Porchetta pork belly, a selection of booze options... before partying on into the evening, where quite frankly, it'll all be downhill from there.

To hit the slopes then drop our team a line **01386 858000**
